COVID 19 – POSITIVE CASE

Dear Members

The Club has today been informed of a member who has tested positive for COVID-19. The member's last visit to the Club was on Saturday 20 June 2020. The member experienced no symptoms at the time and passed the screening process with a normal temperature. Persons and playing partners who had been in-contact with the member have been informed accordingly. The member is in self isolation and thankfully recovering well.

In this regard the Club has already undergone two sessions of disinfection, including today's closure (Monday). All members are reminded to please refrain from visiting the Club should you show any flu-like symptoms and should you become aware of any further positive COVID-19 case within the club community, to please notify myself ceo@royaljk.co.za to ensure no unnecessary anxiety amongst others. This information will of course be dealt with the utmost confidentiality. The Board and management regard the safety and well-being of members, guests & staff of the utmost importance. We continue to run best practices regarding hygiene and social distancing to ensure a safe environment for everyone on our property and encourage all to co-operate and exercise responsible practices.

The Club will continue to keep members informed as information becomes available.

Kind regards,
