

**18 July 2020****COVID 19 – 4th and 5th POSITIVE CASES**

Dear Members

The Club has this morning been informed of a fourth member who has tested positive for COVID-19. The member's last visit to the Club was on Saturday, 11 July 2020. The member experienced no symptoms at the time and passed the screening process with a normal temperature. On 16 July, the member started experiencing symptoms and decided to go for a test. The test results came back positive on 17 July. Persons and playing partners who had been in contact with the member have been informed accordingly. The member is in self isolation and is recovering well.

The Club has also this morning been informed of a member guest who has tested positive for COVID-19. The guest last visited the Club on Sunday, 12 July 2020. The guest experienced no symptoms at the time and passed the screening process with a normal temperature. Persons and playing partners who had been in contact with the guest have been informed accordingly. The guest is in self isolation and is recovering well.

In this regard, the Club has already undergone a session of disinfection and deep sanitation on 13 July 2020. All members are reminded to please refrain from visiting the Club should they show any flu like symptoms. Should you become aware of any further positive COVID-19 case within the Club community, please notify membership@royaljk.co.za to ensure no unnecessary anxiety is caused. This information will of course be dealt with in the strictest confidence.

The Board and management regard the safety and well-being of members, guests & staff to be of the utmost importance. We continue to run best practices regarding hygiene and social distancing to ensure a safe environment for everyone on our property and encourage all to cooperate and exercise responsible practices.

The Club will continue to keep members informed as information becomes available.

Kind regards
