COVID 19 – 8th & 9th POSITIVE CASE

Dear Members,

The Club has this morning confirmed its 8th & 9th members who have tested positive for COVID-19. The members last visited the Club on Saturday, 1 August 2020. The members experienced no symptoms at the time and passed the screening process with normal temperatures. Persons and playing partners who had been in contact with the members have been informed accordingly and will go into self isolation as per the NICD guidelines.

In this regard the Club has already undergone a session of disinfection on 3 August 2020. All members and staff are reminded to please refrain from entering the Club should you show any flu-like symptoms and should you become aware of any further positive COVID-19 case within the club community, to please notify myself ceo@royaljk.co.za - This information will ofcourse be dealt with the utmost confidentiality.

The Board and management regard the safety and well-being of members, guests & staff of the utmost importance. We continue to run best practices regarding hygiene, disinfection and social distancing to ensure a safe environment for everyone on our property. We encourage all to co-operate and exercise responsible practices at all times. The Club will continue to keep members informed as information becomes available.

Kind regards,
