## COVID 19 - THIRD WAVE

Dear Member

Most will be aware of the rising Covid-19 cases nationally, and the Gauteng government has confirmed the province has officially entered into a third wave of the virus. Whilst we have not witnessed any major outbreaks, we have noted a large increase in positive cases within the golfing community over the past 7 days and there is a false sense of security.

Whilst some still debate the seriousness and spread of the virus, the Club will always side with caution and be proactive rather than reactive. We cannot become complacent and we will continue to exercise and enforce all safety protocols. The Board and management place the safety and well-being of members, guests & staff of the utmost importance. The Club will continue to act responsibly, run best practices regarding hygiene, disinfection and social distancing.

**Club Protocol & Re-Enforcement:** Members and guests are therefore reminded that upon entry into the Club, all individuals are required to complete the Covid-19 temperature scan before access is granted and to kindly adhere to all Covid-19 prescripts. These include regular hand sanitising and the compulsory social distancing and wearing of a face mask/buff when not eating or drinking. We continue to ask that should you display any of the commonly recognized symptoms to please refrain from visiting the Club and isolate until a proper diagnosis is established.

We all have a role in helping prevent the spread of the virus. We must be aware and take responsibility of our own hygiene and daily interaction with others. As we enter this next uncertain phase of the pandemic and understand that any meaningful vaccine impact is far into the future, we all need to remain extremely vigilant and play our part in managing the spread of the virus. We thank you for your ongoing support, understanding and wish you good health and strength as we all do our part to remain 'together apart' in the fight against Covid-19.

Sincerely,

A handwritten signature in cursive script that reads 'C Bentley'.
