THE ROYAL NEWS

ISSUE 9 - SEPTEMBER 2022

SEPTEMBER 2022

"Here comes summer....."

As the warm sun starts rising earlier and the grass and trees start showing off the brighter greens. We know the smiles start growing bigger with more golfing hours available and warmer days to enjoy the course.

September is the month of formalities with the 131st AGM being hosted successfully. We welcome a new Chairman and Vice Chairman, along with the new grass shoots on our new West course.

FROM THE CHAIRMAN

Chandru Wadhvani

It is an immense privilege to have been elected as the Chairman of this esteemed establishment. I would like to convey my gratitude to the Board for their trust in nominating me for this position and I look forward to continuing the exemplary work they have undertaken under the guidance of our previous Chair, Mr. Gordon Ogders. His are truly large boots to fill and I am confident we will continue to deliver to the members the level of service they have grown accustomed to.

Congratulations to Dean Harding on his election as the Vice Chair. Dean is a long standing member of the Club, and his dedication to the betterment of the establishment is evident to all that know him. I look forward to his guidance and contributions at Board level during our tenure.

As mentioned at the AGM, and here I believe I speak on behalf of all the Board members, I am committed to ensuring that the Club is run primarily to the benefit of its members, without which there is no institution. This of course will be ably executed by our CEO, Chris Bentley, and the extraordinary team he has built over the years. They are collectively a remarkable group of dedicated individuals driven to better the experience of our existing members, and those who will join in the future. We owe each of them an incredible debt of gratitude, especially for navigating us through a global pandemic.

That said, and given the turbulent times we live in, Royal stands to be so much more than it has historically been called upon to be. While we serve our membership, we are also part of a wider community, both locally and nationally, that are enduring several challenges. Where the Club can serve a greater good, it must strive to. Certainly, and as part of the CEO's mission, we must gear up and equip the Club to be relevant to a future membership. Our legacy rests on this.

It would be amiss of me not to acknowledge the inherent sense of duty we also have to our environment. "Mother Nature" is speaking to us louder than she has in our lifetimes, with human behaviour now being the largest contributor to climate change. As many may have experienced in our last financial year, more rounds were lost to unusual rainfall events than Royal has experienced in recent years. Recent events in KZN also allude to this phenomenon. This, as the scientists are warning us, is not a coincidence. Our Club will look to lead the way in this space, setting the benchmark of what a truly sustainable golf club needs to become to be meaningful into the future.

In closing, this remarkable institution has survived the test of time on the back of the support from its members. I would highly encourage all members to engage with the executive when the need arises, and ultimately to 'fly our flag' proudly and loudly (regally of course) to the greater golfing world. We will truly "reap what we sow" if we engage, collaborate and support this great institution for the greater good. I look forward to meeting and getting to know more of my fellow members. Ultimately, I too am also just a member of this remarkable Club!

ENQUIRE NOW

FROM THE CLOCK TOWER

Chris Bentley, Chief Executive Officer

When entering the grounds of Number One Fairway Avenue, you realise that it is a place of friendship, history and tradition, yet is more modern, relevant and appealing than ever before. A membership that now combines the best parts of lifestyle, living, premier golf, events, family, top-tier restaurant, state of the art wellness - all realized within true hospitality and an atmosphere that invites everyone to feel at home.

This was my message as we entered the 131st Annual General Meeting which was reasonably well attended by 61 members. We thank those members for taking the time to attend another successful AGM. Perhaps the most telling indication of a Club that is capable of evolving, is in its ability to agree, support and adapt for future generations.

The key approvals by the members at the AGM include, (1) to change the name of the Club from Royal Johannesburg & Kensington Golf Club to Royal Johannesburg (the name, together with the new logo, subject to all requirements within our Royal Charter). (2) The Board were authorised to pursue a joint venture with our property developers (Tricoltt) to establish 'The Royal Lodge' on the right side of the 9th West. (3) Mr. Chandru Wadhvani was voted in as the new Chairman (replacing Mr. Gordon Odgers) & Mr. Dean Harding will take over the Vice Chairman role (replacing Mrs. Wendy Huddy).

I would like to take the opportunity to thank and congratulate both Chandru & Dean for taking on these new roles. Serving on a committee or Board is mostly a thankless commitment, but a task rooted in Club success and pride. It is these members who are compelled by passion, to provide their time, knowledge and skills, to guide, enhance and protect our facility. I believe the Board and new composition will greatly support management with the overall delivery, vision, strategy and good governance as we steer the business into a new and even better future! As the Club's moniker goes 'The Royal Experience', underlines the great effort and support shown by the members, which is amplified by the management and Board's drive to continually enhance our Club for the current and future generation.

The West Course renovation is progressing well, is on time and on budget and the members can see the new product slowly coming to life. It is only two months to go until the opening on 30 November and we can't wait to have two courses open again. The team is gearing for a 'bumper' summer and to meet the high demand for golf, Old Oak reservations and numerous year end functions. It is certainly exciting times ahead, albeit through a very turbulent environment.

The 2022 annual Festival of Golf is once again brought to you by Tricoltt, and whilst on a smaller scale this year due to the West course renovation, our sincere thanks to our property developers for another generous title sponsorship, which ultimately ensures unique fun for all and great support of our charity.

As always, there are things to be done, challenges to address and improvements to be made and it continues to be a great privilege to lead 'Royal' through these defining and exciting times. Please continue to use and support your Club, bring the family, play golf and enjoy these wonderful facilities.

To all our Jewish Members
from all of us at RJKGC.

*Shanah Tovah
U'metukah!*

May this year be filled with
health and happiness for you
and your family.

THE GOLF DEPARTMENT

Liam Brown, Director of Golf

It seems like we've skipped spring and gone straight into summer. For those summer players who have been hibernating and hiding the clubs in the cupboard, it's time to dust them off and join us for what looks like a beautiful warm season. The courses are greening up week by week and are starting to look sublime. Our junior league side has secured their promotion to the next division with a critical win against Ruimsig, who were in second position. The team led this season by captain Tayo Straw, had a few great results and deserve a massive pat on the back for showing resilience in some down to the wire fixtures. The star studded Mid-Am A side have won their league with a fixture in hand and can be very proud of the consistent season in a tough A division pool.

We ask all members and their guests to always keep in mind their position on the course. Speed of play is always a hot topic in the game, and we ask all to always attempt to keep up with the fourball ahead. If you walk onto a tee box and the group ahead is on the green (on a par 4), you are out of place and need to speed up. In addition to this, we ask all members making bookings to adhere to our booking policy of cancellation of at least 48 hours prior to allow the golf department to fill the gaps wherever they may be, to ensure the best experience on the course. If you end up as a 2 ball in the middle of a field, you can only expect to have a painfully slow round. As much as the player assistants can push the field, there are certain situations that simply cannot be worked out.

League
Mid-Am A – Winners
Mid-Am B – 3rd position
Scratch league 1st team – 3rd position
Scratch league 2nd team – 4th position

Dates to note
The West course opening 30th November 2022
Interschools finals 3rd December 2022

FROM EAST TO WEST

Jerry Sten, Course Manager

Spring is such a beautiful time of year as everything comes back to life after winter and the trees are a different green this time of year. The East course is starting to come alive as well and the extension of the irrigation dam has certainly helped us water a bit deeper than the usual. West is still a bit drier, mainly due to us using water sparingly for the grow in phase of the revamp. No rain is predicted till mid-October but hopefully we will get a surprise shower prior to the prediction. For now, we are still fine in terms of irrigation water and we have started transferring water from our storage dam with a fair amount of water still coming in there. We are aiming to fertilize the golf courses as soon as we have received some regular rain as last thing we want to do is fertilize the courses and we don't receive rain following the applications.

The West greens are now 5 weeks since seeding, and I need to compliment the growth thus far. They have received two applications of granular fertilizer and are being mowed daily now on 7mm. We will gradually drop the height of cut weekly to the desired height prior to the opening. Topdressing of the greens will also be happening at least twice prior to the opening and this will aid in getting the greens firmer and smoother for the play expected on the new greens. Construction of the bunkers and surrounds is also near completion with only the 11th West left, this will be completed by the first week of October. The first 60 tons of bunker sand will be arriving by the end of September. Installation of the sand will start first week of October aiming to complete the installation by end October and this will allow the sand to settle for a month before the opening.

The driving range tee levelling has been a huge success. Unfortunately we could not level out the front tee as planned and had to create a three-step tier of tee boxes - this was mainly due to us hitting large rock below the surface. The sods have knitted and rooted very well and I believe the tee will be ready for use the in the first week of October.

From the 3rd of October, we will start with regular light dusting of the East greens and we aim to do this practice every 14 days followed by light grooming of the greens. The amount of sand applied will gradually reduce as we progress into this planned maintenance practice.

Spring is an exciting yet difficult time of year when water is becoming limited as we await the much anticipated rainfall to come. Fingers crossed we get some rain within the next two weeks so that we can fertilize the golf course.

Appeal to Members

Please rake your Bunkers!

There is nothing more frustrating than hitting your ball into a bunker and finding, on arrival, that your ball is sitting at the bottom of someone else's divot or footprint. Over the past couple of months, we have noticed an alarming number of bunkers left 'unraked', particularly on member days.

Bunkers are frustrating places to visit, but by following the correct rules and etiquette, all golfers can help themselves and fellow golfers escape this unnecessary situation. You will also boost your own standing amongst fellow members and playing partners, as a considerate and responsible player.

The Club has invested considerable funds into our bunkers and the course staff take great care in preparing the bunkers every morning, ahead of play, but it requires all golfers to rake any bunker they have been in and to ensure the bunkers remain playable and presentable for all, throughout the day. Please rake your bunkers and encourage your fellow golfers to do the same.

"In golf, customs of etiquette and decorum are just as important as rules governing play. It is the enthusiasm, passion, respect and support of our Club members, which enables us to offer these wonderful facilities. To offer a great experience it takes the cooperation of all patrons using the course to uphold the guidelines, culture and standards. Golf is a game of great integrity; there are no referees on the course and it's every golfers responsibility to respect each other, the game and the facility we play. We thank you in advance for helping us and for leaving the course in a better condition than you found it". Christopher Bentley, CEO

BEE NEWS

Clinton Duncan, Beekeeper

It's been an eventful start to the spring season, the trees are humming with bees collecting all the first blossom nectar, pollen from the trees and flowers. It's an incredible site to hear, we urge golfers to take their time during the next couple of weeks to admire the sounds and beauty on the course as it changes during the spring period into summer lush.

Apairy site update.

The hives are growing with both colonies along the 11th hole celebrating their birthdays on the 24th of September 2022. Colony one is turning two, colony two is turning one respectively, both colonies arrived on the same day exactly one year apart with no honey being extracted from either hive to date. Our catch site alongside hole number two has seen 2 catches with one box still remaining empty. I do believe all the boxes will have bees occupying them by the end of the season.

We had one incident reported for the month of September with bees taking a much needed rest over night on the 1st hole flag pole. We attended to the bees after receiving a call from the head greenkeeper Mr Jerry, with no stings recorded to greenkeeping staff or golfers, play resumed as normal with plenty gimmy putts, flag dropping and a very fortunate queen find.

Beekeeping 101

Beekeeping is fun until you get stung, once, twice, a few hundred or a thousand times, we keep coming back for more.

Happy golfing this summer and enjoy the beautiful course conditions prepared by Jerry and his team.

The Bkeeper.

LADIES GOLF

Wendy Huddy, Ladies Golf Manager

Thank you to those of you who attended the 131st Annual General Meeting held on Wednesday 21 September or sent apologies. It was a successful meeting and I congratulate our new Chairman, Mr Chandru Wadhvani and Vice Chairman, Mr Dean Harding, who were elected unopposed to these positions. I wish both gents a very successful term of office and it is very reassuring that our Club remains in such great hands! The draft minutes of the meeting were emailed to the membership earlier this week and can be found on the website.

Our three league teams have finished their season and all have finished on a high note. Huge congratulations to our weekday 1 team who won the overall ladies league by winning the A division by a comfortable 3 points. Our weekday 2 team played great golf in their last fixture in the D division and avoided relegation which was a huge relief and our Sunday league team finished in second place in their D division. Congratulations and thank you to everyone who represented Royal this season - it has been such a great season for so many reasons.

Both the BG's and the Tuesday Ladies held their spring competitions early in September. The BG's betterball stableford competition was won by Della Stapleton and Charmain Partridge on 40 points and the Spring Trophy 3 ball alliance was won by Christine de Villiers, Barbie Grossmith and Audrey Shaw on a great score of 83 points. Many thanks to Mellony Maxwell for sponsoring the closest to the pin prizes for the Spring Trophy and for presenting the prizes on the day.

We had a very enjoyable Presidents Cup competition held on Tuesday 21 September, playing 6 holes foursomes stableford, 6 holes betterball stableford and 6 holes combined individual stableford on the West course. The USA team captained by Shirley Dallas were the winners of the day, taking the trophy by 26 points from Lynne Yammin's International team. Thanks to our two captains and to everyone who played and made the day such fun.

Looking forward to the mini festival of golf on Friday 30 September and Saturday 1 October - hope to see many ladies playing and seeing ladies names on the prize sheet.

Congratulations!

To our Financial manager,
Charlotte & her husband
Grant
on the birth of their son

THE CHEF'S TABLE

Ransley Pietersen, Executive Chef

"Cooking is at once one of the simplest and most gratifying of the arts, but to cook well one must love and respect food." - Craig Claiborne

It is with great pride that we bring you new and exciting gastronomy experiences to venture on at Royal Johannesburg. With the launch of our new menus at The Champion's Retreat and Old Oak over the duration of September, members and guests are invited to indulge in a new offering to the norm.

We trust that the new offering at The Champion's Retreat together with the classic favourites, will open new opportunities for more dining, not only after golf, but as a restaurant to visit in the area. An informal pub menu was put together to appeal to the history and tradition of the Club.

A mammoth task just 4 months after opening its doors, The Old Oak team have taken a risk of launching a spring menu that we believe will pay off based on the feedback we have received over the past two weeks. The menu features South African favourites and a twist on classic recipes that is nostalgic of childhood memories. Standout dishes on the menu would be, the Beef Tongue, Lamb Saddle, Passionfruit Parfait, just to name a few. We are pleased with the rising occupancy month to month. A small reminder to all our members that we are currently fully booked 3 weeks in advance on weekends.

Together with Rumbi's Kitchen Garden, we have managed to bring down costs slightly in growing and using our own produce. This speaks to our farm to table food philosophy and brings you the best we can offer.

In addition to the operating restaurant, we believe that The Old Oak has the opportunity to feature as a top tier venue in Johannesburg. With that in mind, we are in the process of hosting the first Old Oak Wine Festival on the 12th of November 2022. We trust that this event will get massive support from our members and their families.

RUHAN'S WINE COLUMN

Ruhan Duvenage, Assistant Food & Beverage Manager

On Thursday 22 September 2022 we were very fortunate to host Meridian Wine Merchant and the Advini Group for a special luncheon at The Old Oak as L'Avenir Wine Estate and Le Bonheur Wine Estate enters into Meridian's stellar wine portfolio. Meridian as one of South Africa's largest wine distributors will now be distributing from both these amazing farms to around the country. We had the pleasure of hosting both winemakers Dirk Coetzee (L'Avenir) and William Wilkinson (Le Bonheur) as they showcased their amazing wines and talking about the meticulous planning and preparation that goes into every bottle ensuring that the consumer gets the absolute best. The amount of care and passion that goes into producing each of their wines is impressive and speaks volumes as to the quality in the bottle. Both these Stellenbosch based farms are at the pinnacle of what they are producing and offer a wide range, accessible to every market need. Most importantly, The Old Oak went above and beyond to showcase what we do best in food and wine by impressing our industry guests with our offering and service. We cannot wait to invite everybody back to their home away from home.

Be sure to visit The Old Oak and indulge in the great offering from L'Avenir and Le Bonheur Wine Estates.

"There's something involved in this that's greater than we are. You can break it down to science and yeasts, but there's something magical. Once you've experienced it, there's nothing else you want to do. The glamour part has nothing to do with it. It's that hard part. It's spending time in the vineyards. It's spending time with your hands, creating. It's working really hard at something that you love."

-- Hardy Wallace
