

"STORY OF THE OLD OAK"

It's all about family, fun and a truly memorable dining experience.

Overlooking the award-winning golf courses, the name The Old Oak pays tribute to the grand oak tree that once was. It is a symbol that showcases the Club's abundant offering, history, tradition, values, and service, and is a destination that offers something to everyone.

When visiting The Old Oak, members, residents and patrons will enjoy our legendary hospitality, meticulous attention to detail, great service, succulent food and incredible wine.

It is here where you will truly experience the feeling of Royal, with a sense of nostalgia, whilst at the same time creating new memories. The Old Oak, with all the stories it could tell, now starts a new chapter and is a constant reminder to always look to the horizon with the spirit of Ubuntu.

Throughout your dining experience, there are remnants of the grand oak, paying tribute to a moment in time with all the majestic memories that it brought with it. The meticulous attention to detail consolidated into everything you touch, smell, hear, taste and see surpasses expectations and delivers a well-conducted orchestra of relaxed dining.

With the addition of 'Rumbi's Garden', together with partners in the industry, we ensure that all ingredients are sustainably sourced through responsible farming methods. A selection of our cheeses and all our breads are made in house to bring only the best quality to your table.

The Old Oak Restaurant was awarded 'The Best Luxury Family Restaurant in South Africa' in November 2022, by The Luxury World Lifestyle Awards.

"The desire for a 'family restaurant' that also provides quality and wholesome meals together with a state-of-the-art playground and dining facility was the inspiration for the establishment. Focusing on the well-being of the entire family and involving our "chefs" in all activities seems like the perfect inspiration. Our mouth-watering menu is designed around contemporary Mediterranean flavours, yet flexible enough to stay up to date with the latest trends and our authentic food philosophy. We invite you to share in the legacy now and for future generations."

Ransley Pietersen, Executive Chef
