MEMBERSHIP RENEWAL

1 JULY 2024 - 30 JUNE 2025

LIVE, WORK, PLAY, RELAX

Dear Member

MEMBERSHIP RENEWAL ADVICE & FUTURE PRICING 2024/25

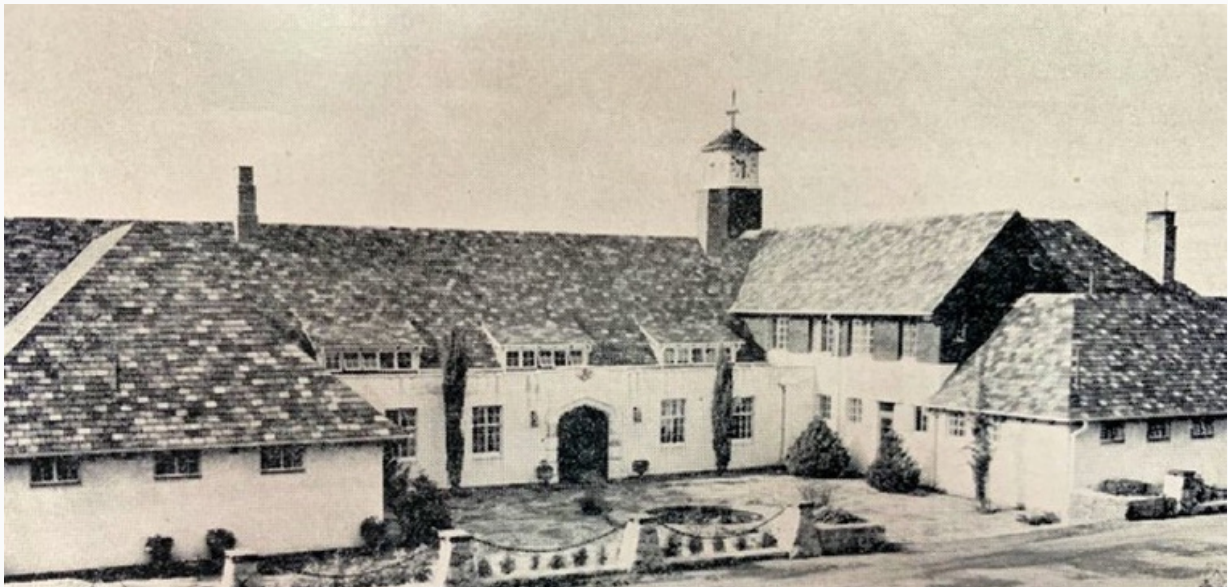

On behalf of the Board & management of Royal Johannesburg, we thank you sincerely for your continued support and enjoyment of the Club and its facilities over the past year.

As we approach the Club's financial year end on 30 June 2024, we have taken great care to consider the related impact on members, their personal and disposable income and all the other factors that influence future pricing.

Striking an appropriate balance between member satisfaction, value for money and the capital required to keep running the Club successfully, is always a difficult challenge. Members have certain expectations for their fees, and the Club as a business, must ensure the income levels required to make it financially feasible to deliver on those expectations.

We are pleased to advise the members of the following for the new financial year, while continuing to enhance the overall value proposition and to provide premium facilities, service excellence and the balance between happy members and the Club's long-term financial health.

"Number one Fairway avenue is unique to each member as we have a remarkable Club with diverse, growing membership. The unique culture at Royal creates an unparalleled premium experience. It is best defined through moments and memories that last a lifetime. The overall foresight, personal care, history and tradition has set us apart, it has defined who we are and what we will continue to provide our members for the future"

The members of Royal Johannesburg are the heart and soul of the Club and play a huge role in what makes it so successful.

While we're fortunate to have assembled some impressive bricks and mortar, it is really the people of Royal Johannesburg that make it so special as we're blessed to have some of the finest staff, serving some of the finest members anywhere.

We are proud to present the membership renewal for 2024/25 and the value proposition of Club membership which continues to grow. From our two fully refurbished golf courses, fitness club, state-of-the-art family restaurant to padel and much more! The distinctive level of excellence and continued investments in amenities and facilities has allowed us to become the Club of choice. A place where there's something for the entire family within our inclusive community, that forms bonds to last a lifetime while having fun.

SETTLEMENTS

Please note that incentives are not applicable when paying via the monthly debit order option. The Club is a 'cashless' environment and has the following payment options available with no other 'special' payment arrangements:

Electronic Transfer
Monthly Debit Order (R75pm)
Online Credit Card Portal
Credit Card (reception)

The Club's banking details are as follows:

(Please use your member name / member number as ref.)

First National Bank, Greenstone: 250 655

Acc No: 623 5570 9654

FIRNZAJJ (Foreign transfer only)

Your pro forma invoice is available immediately on request and will mirror your current subscription set up OR this will be distributed to you automatically on 12 June 2024. Once your payment has reflected, the tax invoice will then be generated and sent shortly thereafter, but not before the start of the new financial year (1 July 2024). **Upon settlement of your annual fees, you acknowledge being bound by the Club's Constitution, its' rules, regulations, policies and by-laws per the terms and conditions stipulated. It is important to note the provisions of the Constitution and that your membership is an annual fee/commitment for the period 1 July 2024 – 30 June 2025.**

The Club also offers a monthly debit order payment option at R75 per month. Should you choose to resign your membership with the Club during the course of the period, you will still be liable for all payments until the end of the membership year (30 June 2025).

Upon settlement of your 2024/2025 subscription, you are liable for the subscription category of choice. A member cannot downgrade or change category through the financial year as this can negatively affect the budget of the Club and its' business model. However, special requests may be addressed to the Board should you face 'serious' health issues, immigration or any other substantial reason to downgrade your subscription category. If you wish to upgrade your membership category, this can be done at any stage on a pro rata basis. Should you wish to change your membership category, this needs to be done in writing by 14 June 2024.

PLEASE BE VIGILANT

As the Club's membership renewal gets underway, we would like to advise members to please be vigilant regarding email scams.

The Club takes information security very seriously and we therefore advise members to please be aware, to prevent any 'Phishing' and to help protect our common interests.

'Phishing' is the attempt to acquire confidential information, often for malicious reasons, by impersonating a trustworthy individual in an email message. Phishing is thought to be one of the most dangerous methods of cybercrime because it is very difficult to be detected by antivirus software programs. Emails often appear harmless since they look like they are being sent from a company's email domain. Here are a few precautions to take:

- Confirm the sender's identity (email address) before replying to email requests and before opening attachments or clicking on links, even if they appear to come from a legitimate source.
- Consult your IT provider about any phishing attempts.
- Rather be safe and call us to validate communications originating from the Club.
- The Club's banking details have not changed and are available in the Annual Renewal Advice.
- Please double check all information before releasing your payment.

Please do not hesitate to contact us, if you have any questions or concerns.
