The Africa Amateur Championship 2026

Thank you letter received from R&A Head of Amateur Championships

Now that the dust has settled on this year's championship, I would like to offer my sincere gratitude to you and your fabulous team at Royal Johannesburg for being such wonderful and welcoming hosts.

It was a very successful week and that success is due, in no small part, to the friendly efficiency of all at the club. Every request was met with a smile despite the long hours. The team spirit on display was monumental and everyone should rightly be very proud of their contribution.

Every corner we turned, there was someone willing to help with a smile on their face. It was a huge pleasure to work with such enthusiasm and please convey our thanks to everyone involved.

I must make special mention of Robert. Logistics operated with quiet efficiency, and I know he did many things in the background to ensure the Championship was a success. His assistance was greatly appreciated.

Jan and his team presented the course in excellent condition. We have already received very positive feedback and I will write to the course team separately to convey my thanks.

In summary, we very much enjoyed our visit I ask you to please pass on our thanks to your Chairman Dean, your Committee and everyone involved in accepting the Championship and then, more crucially, assisting in such a positive way.

In closing, may I say how much we all enjoyed working with you Paul. It was a week in that will be fondly remembered by all and we hope to come back soon.

It's taken a while but we have an amazing new course record , coming in the final round of the R&A's Africa Amateur Championship JL Dewan De Bruin made 10 birdies and an eagle on the 18th for an incredible 60.

The previous course record on the East Course is 63, achieved multiple times, including by Gary Player (1977 SA Open), Darren Fichardt (2008), Charl Schwartzel (2009), and Thomas Aiken (2014). A 62 was recorded by Martin Maritz in 2011, but with placing, while the West Course record is 61 by Charl Schwartzel in 2011.

This amazing round of golf saw him finish 2nd in the Championship.

Farewell Tiaan

Tiaan has accepted a position as Golf Director at Houghton Golf Club and will sadly be leaving us at the end of the month. It is a bittersweet moment for all of us as we are excited to see him growing and yet know that he will be leaving a void in our team.

A graduate of the BSI golf academy, he has excelled in his role as assistant Golf Director over the past 2 years. Thank you for all you have done Tiaan... we look forward to watching your career and know that you have a bright future ahead of you.
